Best Night Entertainment

- ✓ All Inclusive Package
- ✓ Over 15+ years of DJ experience
- ✓ Reliable communication
- ✓ Professionalism and Fun

Our award winning DJs are highly skilled and will have your guests raving about your event for years to come! Our planning process ensures we identify the music and entertainment needs your corporate or social event requires to bring to life your vision for the evening. We only take on a limited number of events which enables us to give you and your event the attention it deserves. We will coordinate meetings to understand the atmosphere you are looking for and a music selection process that works for you. With over 15+ years of DJ experience, we have seen it, done it, and can give you the pros and cons of anything related to your event!

This is a passion for us, and we take immense pride in providing the best experience possible!

AUDIO & MC SERVICES*

We employ the best audio equipment for your event whether it is a small corporate function or audio for hundreds of guests. We have a variety of professional amplification equipment so your event speakers are clean and clear. Our DJs can serve as your host or will make announcements as needed.

INTELLIGENT LIGHTING

Using elegant glow column totems with moving spot/beam lighting fixtures, professional stage lighting, and Soundswitch lighting control software. We create a professional lighting scheme for your event; think spot lighting during speeches or awards.

UP-LIGHTING*

Allow us to light up the walls of your event or expo area with your company's or event's color scheme. Utilizing up lighting powered by Soundswitch. This smart lighting system allows us to wash the room in your desired colors or change the atmosphere subtly for different parts of your event.

**Included in our standard package.*
